ALL OF THE TOYS BELONG TO ALL OF US

Author: Bronwyn Sutton, Speech Language Pathologist, BEST Autism Therapy

There are lots of toys at Kindy. We sit next to each other and play.

Sometimes two people play with the same toy.
That's because all of the toys belong to all of us.

We might play with different parts of a toy. We all get a turn to play.

I watch my friend playing with the same toy as me.

All the kids at Kindy play with all the toys.

That's because all of the toys belong to all of us.

This story might help you to create your own Social Story™. Social Stories™ should be individualised to the child and should follow the criteria developed by Dr Carol Gray.

Please speak to one of our Speech Pathologists or Occupational Therapists to learn more.
