

LISTENING TO THINGS THAT ARE NOT INTERESTING

Author: Bronwyn Sutton, Speech Language Pathologist, BEST Autism Therapy

I really like to talk about Star Wars.
But some people talk about things
that are not interesting to me.

They might think that other toys are more interesting. Some like Barbies, some like trains, some like talking about uninteresting games.

But I know it is important to listen to people, even when it is not interesting. I will try to listen to other kids when they talk.

We all need to listen to things
that are not interesting. This is
part of getting along with others.

This story might help you to create your own Social Story™. Social Stories™ should be individualised to the child and should follow the criteria developed by Dr Carol Gray.
